Guest Lecture on Recent trend in computer engineering

Computer Engineering, conducted a Guest Lecture on the topic “Recent trend in Computer engineering”, on 3 January 2019 in the college premises. Mr. Vinod Thete from Source Code, Pune, was the resource person. All the students of the second year, third year computer engineering, and faculty members attended the lecture and interacted with the resource person.

Mr. Vinod started the lecture with giving a brief about the computer engineering and then highlighted the recent trends in this field. His lecture also focused on economic perspective through exposure to a pair of disparate influences.

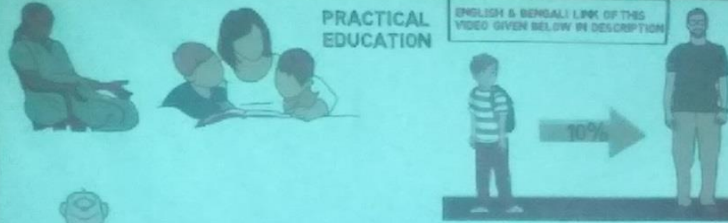

Some Moments of Guest Lecture

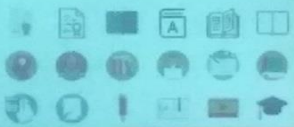

PRACTICAL EDUCATION

ENGLISH & BENGALI LINK OF THIS VIDEO GIVEN BELOW IN DESCRIPTION

10%

Social awareness program

On 3 January we had PSI Mr. Jadhav and Constable Mr. Mane as our guest, they explained us the importance of helmet. Motorcyclists need to take extra precautions to protect their body. The most important place to start is by protecting the head. The head and brain is most vulnerable to injury in a motorcycle accident. Drivers and passengers wearing helmets increase their chance of survival significantly over non-helmet wearers.

Some Moments of Social Awareness Program

Industrial Visit to Quickyes infotech Pvt Ltd

Computer Engineering department, organized an Industrial visit to “Quickyes infotech Pvt Ltd”, on 9 January 2019 for second year and third year students of computer engineering.

Visit was organized with the prior permission and guidance of Honorable Principal Mr. S.k. Joshi.

They conducted for about 1 hour and 30 min seminar session which covered the following details:-

The presentation session was conducted by:

1. Mr. Santeshwar (Technical)
2. Mr. Santeshwar (Infrastructure)

Points discussed:

1. Oracle
2. Technical aptitude

The students of third year and second year Computer Engineering and all the staff members have enjoyed the technical Endeavour at the company a lot. The company persons also appreciated our students after the question answer sessions. Students were well mannered and disciplined throughout the tour and no injury or anything bad happened during the industrial tour

Some Moments of Industrial Visit

Technical Poster making Competition

Computer Engineering, conducted “Technical Poster making Competition”, on 12January 2019 in the college premises.

Micro project Exhibition

College has organized “Micro project Exhibition”, on the occasion of death anniversary of late Rajarambapu on 17 January 2019.

Self Defence Training for Girls

On 16 January we had ABVP group as our guest , They taught girls many defensive techniques which can easily be used in any difficult situation. They also taught girls, the importance of self-confidence and how it is useful to tackle any bad situation.

Some moments of Self Defence Training

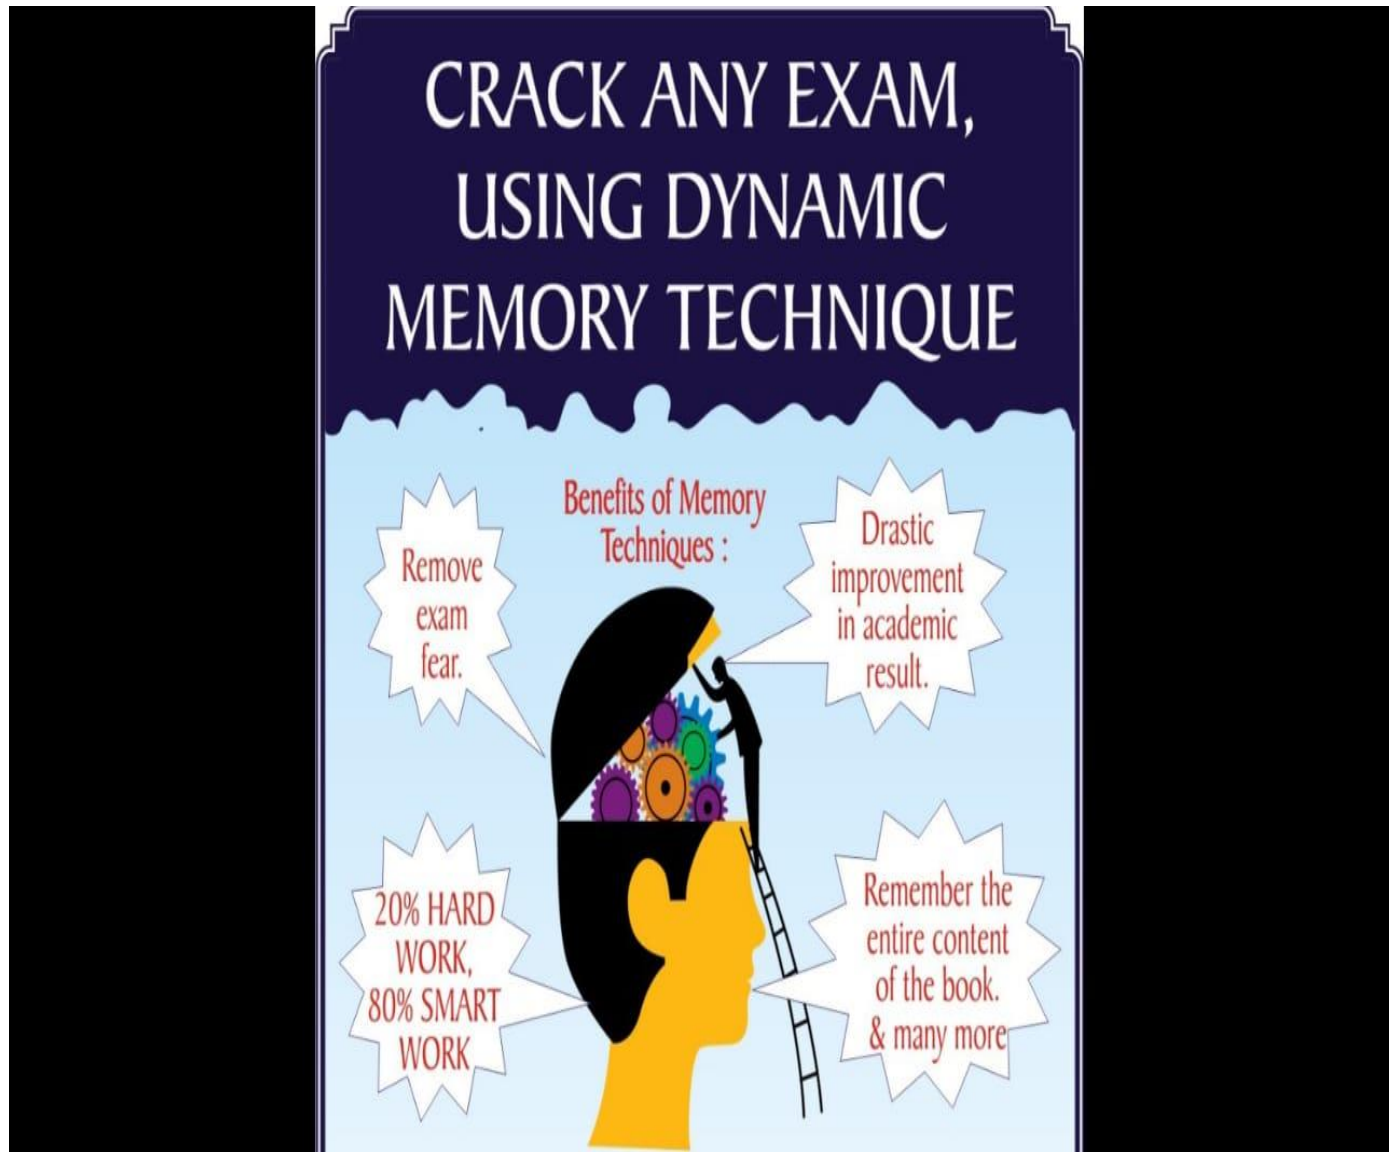

Dynamic Memory Techniques

On 29 January we had Ms Seema as our guest, she explained us dynamic memory techniques for cracking exam. These techniques are helpful in improving the academic result, remembering the content of entire book and removing the exam fear.

Some Moments of Dynamic Memory Techniques

Industrial Visit to V3 Data Solution pvt ltd

Computer engineering department organized an Industrial visit to V3 Data Solution pvt ltd on 2 February 2019 for second year and third year students of computer engineering. Visit was organized with the prior permission and guidance of Honorable Principal Mr. S.K. Joshi.

Networking workshop of final year students from 7 Feb to 9 feb

Computer engineering department organized a workshop on networking for Third year students from 7 February to 9 February, with the permission and guidance of Honorable Principal Mr. S.K. Joshi.

Schedule of workshop was as below:

Industrial Visit to Source Code Technology

Computer engineering department, organized an Industrial visit to “Source Code Technology” on 21 February 2019 for second year and third year students of computer engineering. Visit was organized with the prior permission and guidance of Honorable Principal Mr. S.k. Joshi.

They conducted for about 1 hour and 30 min seminar session which covered the following details:-
The presentation session was conducted by:

3. Mr. Vinod Thete (Technical)
4. Mr. Vinod Thete (Infrastructure)

Points discussed:

3. Recent Technologies
4. Interview skills

The students of third year and second year Computer Engineering and all the staff members have enjoyed the technical Endeavour at the company a lot. The company persons also appreciated our students after the question answer sessions. Students were well mannered and disciplined throughout the tour and no injury or anything bad happened during the industrial tour.
