THE TEMPLE OF Knowledge

VISION AND MISSION OF INSTITUTE

VISION

To develop technical skills of tribal youth effectively, efficiently and dedicated component to build the capacity of all relevant interests.

MISSION

To inculcate professional culture amongst the tribal youth, who value and demonstrate reflective practice to meet the challenges of highly competitive world through appropriate training, able guidance, positive discipline and holistic approach.

About KES

Kasegaon Education Society is one of the leading educational organisations in the Western Maharashtra. It was established in 1945 by Late Shri. RajarambapuPatil, the leading statesman. Considering the need of time, the Society focused its attention on taking the education to the threshold of the rural masses. The Society started schools in the nearby villages and a hostel for backward class students at Kasegaon.

After the untimely and sad demise of Shri.RajarambapuPatil in 1984, it was Shri. JayantPatil, his son, who alike his father entered his public life through educational activities. He shouldered the responsibility of Kasegaon Education Society. ShriJayantPatil took the Society with time, diversifying its educational facilities. Today the Society has 31 primary & secondary schools and 15 higher educational institutes under its roof. This includes mainly three arts, commerce & science colleges, two information technology institutes, an engineering college, a polytechnic, two management institutes, a nursing institute, a agricultural polytechnic, a pharmacy college and an international school.

The Society has been conferred with prestigious award like 'Dr. BabasahebAmbedkarDalitmitraPuraskar', 'State award for Educational Institutes'. Certificates of appreciation have been also awarded to the Society by C-DAC & MKCL for its exemplary contribution towards computer literacy.

MESSAGE FROM PRINCIPLE'S DESK

Principal's view

Principal Mr.S.K.Joshi

I feel proud to be a part of Kasegaon Education Society, established by our leader, late Shri. RajarambapuPatil& working with the principles of ethical & moral values. We are aiming to create technocrats, who will not only be professionals but entrepreneurs also, besides being responsible citizens.

Our state-of-the-art building is unique. We treat our dedicated and highly qualified faculty, well equipped laboratories, full-fledged library, as also most prestigious assets. This enable our students to learn new skills and upgrade their existing ones as it is an important tool in a technology driven and competitive business environment to realize the vision of transforming India into a developed nation by year 2020.

Prof. S.K.Joshi

DEPARTMENT OF CIVIL ENGINEERING

UPTO THE SKY.....**

VISION AND MISSION OF CIVIL ENGINEERING DEPARTMENT

VISION

“To achieve excellence in technical education & create the technocrats having professional and entrepreneurial abilities, thereby resulting in the progress of INDIA”.

MISSION

“To inculcate professional culture amongst the future technocrats, who value & demonstrate reflective practices to meet the challenges of highly competitive world through appropriate training, able guidance, positive discipline & holistic approach”.

.....FROM HOD'S DESK

As a Head of the Department, I provide academic leadership to maintain academic standards. With our distinct student centered teaching-learning methodology, our students will be able to face challenges of life with our holistic approach in teaching and learning encouraging students to indulge in extracurricular activities to shape them as leaders of tomorrow. All these efforts are followed ambitiously to develop the overall personality of the students so as to equip themselves with modern and sensitive outlook to face the challenges of the competitive world.

For the overall development of student; department of Civil engineering has formulated Civil Engineering Students association i.e. CESA. Various activities of these chapters help student to gain knowledge and interact with students and staff of other colleges and universities as well as Industry Engineers.

OUR FEATURES

Well set up library:

Open Auditorium

WELL SET UP LABORATORIES

Concrete Technology lab

Geotechnical Engineering lab

Highway Engineering lab

Survey lab

Hydraulics Lab

Mechanics of structure lab

Construction material lab

Environmental Engineering Lab

PROGRAMME ORGANISED BY CIVIL DEPARTMENTS
CESA INAUGURATION
INDUSTRIAL VISITS
PARENT'S - TEACHERS MEET
SOCIAL ACTIVITIES

CESA - CIVIL ENGINEERING STUDENT ASSOCIATION

The objective of CESA is to develop and support curriculums and co-curriculum activities for the student. Also notice board inauguration was conducted in the presence of principal sir Mr. S.K. Joshi. and chief guest Mr. ShivrajPatade (sales manager for HOCMS)

EVENTS ORGANIZED BY THE DEPARTMENT

Civil engineering students performing road show on the topic of 'SAY NO TO PLASTIC'.

Rally by students

PARENT'S – TEACHERS MEET

Parent's teachers meet arranged in each semester for exchanging of thoughts

EXPERT LECTURES

HIT OFFICE TRAINING

The training program organized by CESA

The course duration was 20 to 24 hrs. In that they taught our student **3 Modules** of this software.
